

Lamezia Terme - Catanzaro Lido line upgrade

Description

The upgrade of the single-track line, approx. 46 km-long includes:
consolidating the bed and the tunnels between Lamezia Terme and Settingiano;
the modified route between Settingiano and Catanzaro Lido;
the new station at Catanzaro near Germaneto; the new Catanzaro Lido, Catanzaro Germaneto, Nicastro, Marcellinara and Feroletto PBRRI; the CTC at Catanzaro Lido; for public information, installing the broadcast fibre optic data cable system.
